On average a standard credit score is between 200 - 400 (the higher the score the better the rating)

Each different lender can be treated as a separate proof of residency - where as each account cannot

Displaying open and closed accounts helps lenders validate whether someone is more likely to have genuinely lived at a current address for a longer or shorter period of time. Open accounts and recently closed accounts can also help prove current residency

Nature of service

Much of the information provided by this service is obtained by Equifax Ltd from third parties (including government authorities), over whom Equifax Ltd has no control. The volume and nature of the information available on this service makes it impractical for Equifax Ltd to verify it. If Equifax Ltd were to attempt to do so, it could only offer this service at a significantly increased cost. By using this service you will acknowledge your acceptance of these risks.

Liability for Use of Service

Equifax Ltd shall not be liable for any loss or damage arising from any inaccuracies, faults or omissions in the information provided by this service, howsoever caused. Nothing in this notice shall limit or exclude Equifax Ltd's liability for death or personal injury arising from its negligence. The laws in some countries or jurisdictions may not allow the above limitation of liability and, to the extent that those laws apply to your use of this service, this notice may not apply to you.

Use of Service

This service is made available only for your own private or in-house purposes.
